Inviting applications for Project Position

DATE: March 02, 2023

Applications are invited from suitable candidates for filling up the purely temporary positions of one Research Associate-III in the DBT Multi-institutional project “Characterization of chickpea germplasm resource to accelerate genomics-assisted crop improvement”, under mission programme of “Characterization of genetic resources”, under the supervision of Dr. Senthil-Kumar Muthappa, Scientist, NIPGR.

Research Associate-III (One Post): Emoluments DST/DBT norms and as sanctioned in the project.

Eligibility Criteria: Candidates having a PhD degree in the discipline bioinformatics/computational biology/statistics/mathematics/life science with strong publication record in the areas mentioned in this advertisement (at least one research paper in SCI journal) can apply. The project work requires prior work experience in R programming language, machine learning, AI, dynamic/interactive database development, large scale data visualization, RNAseq data analysis and along with demonstrated ability of phenomics/transcriptomics-based database development. Further, skills for RGB and hyper-spectral image analysis for disease detection/assessment (neural network/deep learning) and digital disease scoring (computer vision/machine learning/Python) along with knowledge in HTML/CSS scripting, MySQL, PHP, fluency in linux and basics of Javascript is preferred.

The above positions is completely on temporary basis and co-terminus with the project. The fellowship/emolument amount for the above positions are as sanctioned in the project and as per NIPGR/DBT/DST norms. The initial appointment will be for one year or till the tenability of the project whichever is earlier and the same can be curtailed/extended on the basis of assessment of the candidate's performance and discretion of the Competent Authority. NIPGR reserves the right to select the candidate against the above post depending upon the qualification and experience of the candidate. Reservation of posts shall be as per Govt. of India norms. The appointment may be terminated any time by giving one month notice by either side. The applicants will have no claim implicit or explicit for consideration against any regular position of NIPGR.

Eligible candidates for the above positions may send completed application on skmuthappa@nipgr.ac.in in the given format with a cover letter showing interest and specifying the position (Applicants for RA-III) along with attested copies of the certificates and proof of research experience. Incomplete application and lack of supporting educational/experience certificates will be rejected. The candidates must ascertain their eligibility before applying, as ineligible candidates will not be interviewed. Candidate may submit separate applications, if applying for both the positions.

Last date of application is on or before the 15 days after release of advertisement at NIPGR website. Interview link will only be sent to shortlisted candidates.

Note: ONLY soft copy of the application in the given format alongwith all certificates in a single PDF will be accepted. For any clarification candidates may contact Scientist incharge through e-mail only.
