

ICP-MS User Charges

3. ICP-MS (Agilent 7800). External users must pay extra 18% GST

NIPGR , NCR cluster Institutes	Academic, Research Institutions and Start-ups	Private Organizations
700 per liquid sample for 5 elements + Rs. 10 per extra element 800 per solid sample for 5 elements + Rs. 10 per extra element	3.1.1) 2000 per liquid sample for 5 elements + Rs. 30 per extra element and 3.2.1) 2500 per solid sample for 5 elements + Rs. 30 per extra element	3.1.2) 3000 per liquid sample for 5 elements + Rs. 30 per extra element 3.2.2) 3500 per solid sample for 5 elements + Rs. 30 per extra element

Note

Elements that can be measured: Ag, Al, As, Ba, Be, Ca, Cd, Co, Cr, Cs, Cu, Fe, Ga, K, Li, Mg, Mn, Na, Ni, Pb, Rb, Se, Sr, Tl, U, V, P.

The facility does the sample preparation and digestion for external users

HPTLC User Charges

4. HPTLC (CAMAG). External users must pay extra 18% GST

NIPGR , NCR cluster Institutes	Academic, Research Institutions and Start-ups	Private Organizations
4.1) 600/sample <i>Notes: specific standards and method should be provided by the user</i>	4.1.1) 1200/sample <i>Notes: specific standards and method should be provided by the user</i>	4.1.2) 2500/sample <i>Notes: specific standards and method should be provided by the user</i>

COMMON NOTES (for ICP-MS and HPTLC)

- The users are requested to contact the metabolome facility in-case of queries regarding price slot and analysis to be used. Email of metabolome facility: metabolome@nipgr.ac.in
- External users may download the sample submission form webpage and pay for the service, then submit form to facility - http://www.nipgr.ac.in/facilities/facility_metabolomics.php
- Internal users: The samples will be accepted only after the indents are processed by NIPGR. The users may give indent to Metabolome staff (008) and the indents after signature from Metabolomics facility in-charge are sent to Administration. The indents are further processed as normal consumable indents. Once the indents are approved, the user can give the samples to the facility.
- Only after indents are approved by purchase committee/ performa invoices are generated and payed (for external users) can the user start sample preparation or send samples
- Samples can be provided to Metabolome Staff after the indents are approved
- Samples submitted in person or via post, without proper communication and prior approval by the competent authority, will not be entertained. Payments processed regarding the same, without prior approval of the competent authority, will not be the direct responsibility of Metabolome facility, NIPGR.
- Sample list in Excel sheet must be provided to the facility with weight of samples and the sample tubes must have similar codes for ease of handling (Lab name- day and month- sample number. Eg. JV-2611-01).
- Average processing time after sample submission is 3 weeks for metabolites in price list, for other user specific metabolites with a known method it is 6-8 weeks. The sample processing time starts after the indent is approved by NIPGR and due verification of submitted samples.
- Equipments required for sample preparation will be provided by the facility. Equipments for sample preparation will be handled by the user with the guidance of the Facility-in-Charge/Authorized Operator without any extra charges
- User will be liable for any damage of the equipments by improper handling during sample preparation and will be liable for compensation for any major damage (i.e. which will hamper equipment operation).
- All the samples and standards must be prepared by using MS grade solvents for good quality result.
- After analysis the raw data will be provided without any statistical processing.
- Equipments required for sample preparation will be provided by the facility. Equipments for sample preparation will be handled by the user with the guidance of authorized Operator without any extra charges.
- User will be liable for any damage of the equipments by improper handling during sample preparation and will be liable for compensation for any major damage (i.e. which will hamper equipment operation).
- Facility will not be responsible for data processing/experimental result.
- Kindly acknowledge the metabolome facility in your publications
- For External users, the payment has to be done in advance (online transfer) to the Institute.
- The payment will be done in the following bank detail for external users:
Accounts Holder's Name: DIRECTOR, NIPGR
Bank Name and its address: State Bank of India, Jawaharlal Nehru University, New Delhi
Account Number (Saving account): 10596550290
