

Date: 14-07-2026

Walk-in-Interview on July 29, 2026 from 10:00 am onwards

Applications are invited from suitable candidates for filling up the purely temporary position of one Research Associate-III (RA-III) in the DBT project entitled “Deciphering the genetic basis of flower initiation and abortion under nitrogen deficiency in tomato”, under the supervision of Dr, Amar Pal Singh, Scientist, BRIC-NIPGR. The details of the position are as follows:

Research Associate-III (one post): Emoluments ₹67,000/- per month plus 27% HRA, as sanctioned in the project.

Qualification: Candidates having a doctorate (Ph. D) degree in Life Sciences or equivalent (including Molecular Biology, Biochemistry, Plant Physiology) with a good publication record and fulfilling the DST/SERB guidelines as per DST-OM number DST/PCPM/Z-06/2022 dated June 26, 2023 are eligible to apply. Applicants should have prior experience in tomato and rice tissue culture and expertise in generating transgenic and gene edited plants. Additionally, candidates must have published at least two first-author research articles in reputed peer-reviewed journals in the relevant field.

The above position is completely temporary and co-terminus with the project. The fellowship amount for the above position is as sanctioned in the project and as per norms. The initial appointment for the above posts will be for one year or till the tenability of the project whichever is earlier, and tenure of the post can be curtailed based on the assessment of the candidate's performance and the discretion of the Competent Authority. BRIC-NIPGR reserves the right to select the candidate against the above post depending upon the qualifications and experience of the candidate. Reservation of posts shall be as per Govt. of India norms. The appointment may be terminated at any time by giving one-month notice by either side. The applicants will have no claim implicit or explicit for consideration against any regular position of BRIC-NIPGR.

Eligible candidates may appear for walk-in-interview at BRIC-National Institute of Plant Genome Research (BRIC-NIPGR), Aruna Asaf Ali Marg, New Delhi-110067 on Wednesday, July 29, 2026 at 10:00 a.m. onwards along with the duly filled in application form in the prescribed format.

The duly filled application form along with self-attested copies of the date of birth, educational & experience certificates must be submitted at the time of registration at BRIC-NIPGR from 10:00 a.m. to 11:00 a.m. on July 29, 2026. Any candidate reporting after 11:00 a.m. will not be entertained for walk-in interview. The candidates must ascertain eligibility before applying, as ineligible candidates will not be interviewed. All the candidates are requested to appear for the interview with complete bio-data in given format and original degree/experience certificates and transcripts for verification. Canvassing in any form or bringing influence, political or otherwise, will lead to the disqualification of the candidate(s).

Note: Incomplete applications and those in the wrong format will be summarily rejected. No TA/DA will be paid for attending the walk-in interview.
