

Workshop Schedule

October 05, 2026

Time	Content
08:45-09:30	Registration
09:30-10:00	Welcome by Director, NIPGR & Dr. Shailesh Kumar
10:00-10:45	Introduction to Ensembl and selecting genomes
10:45-11:15	Tea/Coffee Break
11:15-11:45	Visualising genome data - genes and transcripts
11:45-12:15	Visualising genome data - variation, regulatory elements, related genes
12:00-12:30	Ensembl Annotation - how genome data is generated and integrated
12:30-13:00	Access scales - from gene to whole genome
13:00-14:00	Lunch
14:00-15:30	Ensembl Tools - Ensembl Variant Effect Predictor and BLAST*
15:30-16:00	Tea/Coffee Break
16:00-16:30	Wrap Up and Certificate Distribution

October 06, 2026

Time	Content
09:30-10:30	Overview of what is involved in training
10:30-10:50	Tea/Coffee Break
10:50-12:00	Training styles
12:00-12:45	Structure of Ensembl training
12:45-13:15	Lunch Break
13:15-15:00	Preparation for practical
15:00-15:30	Tea/Coffee Break
15:30-17:30	Delivery of practical training sessions and group feedback
